NCAA LIVESTATS
BY GENIUS SPORTS

SPORTZcast

SPORTZCAST DELIVERS THE OFFICIAL GAME CLOCK TO NCAA LIVESTATS FOR FOOTBALL

Power NCAA LiveStats with the Sportzcast ScoreLink which delivers real-time clock data directly from a standard scoreboard controller.

Staying in sync has never been simpler. A Sportzcast connection unlocks a live clock in NCAA LiveStats, automatically time stamping every play and delivering the live game to your partners.

BENEFITS TO YOU

🕐 DELIVER LIVE GAME CLOCK TO YOUR PARTNERS

Keep your fans and media up to date. Every play, every second.

🏃 ENABLE STATISTICIANS TO FOCUS ON THE LIVE ACTION

Remove the need for manual clock control to assist your statisticians, enabling them to focus on capturing the full range of NCAA LiveStats statistics.

## ⏱ ENHANCE THE ACCURACY OF YOUR LIVE GAME STATISTICS

Ensure that every NCAA LiveStats statistic is aligned with the official game clock to produce the most robust, detailed feeds.

SCORELINK KEY FEATURES

· Free to all **NCAA Football programs**

· Deliver **live scoreboard data** directly from **ScoreLink to NCAA LiveStats** over a Local Area Network (LAN).

· Straightforward installation with **no technician required**.

· **Pocket-sized hardware** connects to a typical scoreboard controller output via a supplied cable.

· **Standard Cat5/6 cable** powers the device and allows a connection to the statisticians' computer.

· Unlock additional features, including **HTML broadcast graphics**.

ENHANCING A PROVEN, MODERN STATS PLATFORM

NCAA LiveStats for Football was launched ahead of the Fall 2020 season and is gameday ready alongside ScoreLink.

ABOUT SPORTZCAST

Sportzcast is a leader in delivering real-time scoreboard technology for college, high school and professional sporting events. It develops both the hardware and software solutions to deliver live game data, graphic overlays, promotional videos and more to most scoreboards.

In late 2020, Sportzcast was acquired by Genius Sports, one of the largest sports technology companies in the world and the partner behind NCAA LiveStats (NLS). NLS has already been rolled out across 5 sports and over 70,000 games.
