# ScoreHub installation guide

ScoreHub

Login and password

Login: sportzcast5037113

Password: sportzcast5037113

Accessing Wi-Fi via IP address

Access the Wi-Fi via IP address in a browser:

Accessing Wi-Fi from the device

In order to access Wi-Fi from the device please follow the steps below:

1. Press and hold the green ENTER button.

2. The ^ will appear under 0 for OFF, or under 1 for ON.
   * Switch to 0/off before adding Wi-Fi SSID and password.***

3. The screen below is for the SSID.

4. This screen is for Password

5. Go back and press and hold ENTER. The ^ carat will show up again under 0. Up arrow and change to 1 to re-enable Wi-Fi.
